To: All Shadow Mountain Dealers

From: Bob Eller
Vice President of Sales & Marketing

Effective August 1st, 2008 all items currently represented in the Shadow Mountain price list will be increased in price by five percent (5%). New items introduced at the Las Vegas Market (July 28 – August 1, 2008) are not affected by this price increase. All orders dated on or before August 1, 2008 and received no later than August 4, 2008 will be acknowledged at the former pricing.

We regret the need to increase prices, however, as long as fuel and production costs continue to escalate at an unprecedented rate we will be compelled to review our pricing.

We thank you for your continued support of our product line.
